PRESIDENT'S MESSAGE Teresa Torsney, RN-BC, MS

For those of you who may not know who I am, let me introduce myself as your president. I took office this past July and have been active as president elect for the past two years under the guidance of past president and now chief advisor Margo Governo.

Currently, I am enrolled in Adelphi University's Doctoral Program. I graduated from Wagner College, Master of Science in Nursing, the education track and am employed at Staten Island University Hospital as a staff development instructor. I hope to bring some exciting programs and events to our chapter and ask for your input as well. I look forward to serving you to the best of my capabilities and am sure Epsilon Mu and I will grow even stronger.

Some of the past events already during my term included Our Founder's Day, which proved to be a huge success, and everyone gave me such positive feedback. The event was well attended and everyone seemed to enjoy themselves. What a pleasure serving such a fine group of professionals. I was so proud of the students and nurse leaders and happy to see the families present in honoring their achievements. I want to thank Professor Jane DeFazio, Mary Jane Bailey, Domenica Giustino, Theresa Bucco, Barbara Pfaff, Julia Elgandy, and newcomers Rosanne Murphy as Publicity Chair and undergraduate student Ashley A. Werneken and her mom, Diane, for volunteering to help out. I apologize if I left anyone out.

Our collaborative nursing conference, The Nurse as the Ambassador to Good Health, with the American Cancer Society was very well attended and the evaluations were very favorable.

Our Community Project, American Cancer Society Making Strides, proved to be a gorgeous day and was well attended. The Pink Ribbon Campaign was also profitable, as we raised money and awareness for this important cause.

The TeenScreen was organized by Margo Governo, and the feedback was very positive. For future community projects, please check the calendar. If you have a favorite activity you would like to have Epsilon Mu participate in, please contact Epsilon Mu either by voicemail at 718.390.3478 or e-mail us at epsilonmu@wagner.edu.

This year, Margo Governo, Theresa Bucco and I attended the 39th Biennial Convention in Baltimore, Maryland. Margo Governo presented her research on Classroom Character Education Program Intervention. Theresa and I volunteered as moderators and also I volunteered as a greeter at the retirement reception for Chief Executive Director Nancy Dickerson-Hazard. The convention proved to be a great opportunity and for networking and meeting old friends from past conventions. I even won a raffle prize donated by the new chief executive officer, Patricia Thompson, RN, EdD, FAAN.

See our newsletter for upcoming events. Please keep in touch and I hope to see you at one of our events this year.

Peace,
Teresa (Teri) Torsney, MS, RN-BC

Membership Announcements and Awards

If you would like to announce a special occasion or event, an award, publication, an advanced degree, certification, and promotion or have been accepted into a program for an advanced degree, please submit your news to epsilonmu@wagner.edu or call 718.390.3478.

COMMUNITY SERVICE PROJECT

SAVE THE DATE: October 19, 2008, for American Cancer Society's Making Strides. Please support this worthy cause by participating as a team leader, team member or sponsor. Call our voicemail with contact information to participate.

A community service project not only benefits the community, but also gives our members an opportunity to get to know each other and pull together as a team. The lasting impact of this type of chapter activity will strengthen our chapter in countless ways. Community service programs such as charity walks, food drives, community clean-up events, blood drives, health fairs, toy drives, visits to assisted living communities, and book drives are all events we as a chapter can participate in by signing up as a team. If you already participate in such events, please consider contacting us at 718.390.3478 or e-mail; epsilonmu@wagner.edu, so Epsilon Mu may join you in your efforts and make a real impact on the community as a team.

Membership Induction

If you would like to nominate a nurse leader in our community, please submit their name to epsilonmu@wagner.edu or call 718.390.3478. Criteria are posted on the Sigma Theta Tau International website: nursingsociety.org

EDUCATIONAL PROGRAM

SAVE THE DATE: October 22, 2008, for American Cancer Society's collaborative Nursing Conference. The focus this year will be genetics. Please support this worthy cause by attending. The following Epsilon Mu Chapter members serve as members of the Nurse Advisory Committee: Alberta Brescia (Staten Island Regional Vice-President of the American Cancer Society), Paula McAvoy, Teresa Torsney, Patricia Tooker, Kathleen Ahern, Barbara Hoey, Helen Costello, Iris Accettola, Jane DeFazio. Kudos to a fine job this year and thank you for bringing a worthwhile educational program to Staten Island.

If you plan or participate educational programs and wish to share information with our Epsilon Mu Chapter, please consider contacting us at 718.390.3478 or e-mail epsilonmu@wagner.edu.

INNOVATIONS IN RESEARCH/EVIDENCE BASED NURSING PRACTICE EXPO

DATE: Saturday, March 8, 2008
TIME: 9:00 a.m. – 1:00 p.m.
LOCATION: Staten Island University Hospital,
Medical Arts Pavilion Great Room, Second Floor,
Staten Island, NY
COST: \$30 per person, undergraduate students: \$5 for cost of food

RSVP 718.390.3478 by FRIDAY, March 1, 2008

Nurses in practice, education, and leadership are presenting topics illustrating research or evidence-based practice. The following topics will be presented:

- Teaching Evidence Based Practice
- Creating a Culture of Evidence Based Practice
- Generating Evidence (Primary Research Studies)
- Synthesizing Evidence
- Translating Evidence into Practice: Recommendations
- Policies and Procedures based on Evidence
- Outcomes related to Practice Changes

**Keynote Speaker: Josephine DeVito, PhD, RN from Seton Hall University
Adolescent Mothers Self-Image Primary and Secondary Research**

Target Audience: Registered Professional Nurses

The overall purpose of this activity is to offer nurses training in research and evidence-based nursing practice to improve their skills and nursing practice for improved patient outcomes.

This continuing nursing education activity has been approved by Staten Island University Hospital, an accredited provider by the New York State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

It has been assigned approval code: 75QKD6PRV077

3.5 Contact Hours

No partial credit will be awarded, participants must attend entire program for credit.

RSVP: 718.390.3478 by March 1, 2008

The American Holistic Nurses Association

invites you to join nurses around the world to celebrate the 9th

Nightingale Moment

May 12, 2008 @ 12 Noon

Every nurse around the world is invited to pause, take moment of silence or create a healing ceremony or ritual in celebration and dedication to the heart and spirit of nursing.

We invite you and your colleagues to:

- Honor Florence Nightingale and her legacy to modern nursing.
- Honor the strength and wisdom of our nursing mission.
- Reconnect with the fire and the soul, the sense of calling in nursing.
- Acknowledge the interconnections and oneness of nurses in the personal, political, social, and scientific domains.
- Carry the vision of caring and healing into the future.
- Share Nightingale's legacy with the larger community.

Local Activities: Moment of Silence

Blessing of the Hands

Labyrinth Meditation Walk

Wagner College, Student Union

RSVP: 718.390.3478

No Charge. Light lunch served.

Jin Shin Jyutsu® Physio-Philosophy
Presented by Jed Schwartz
3rd Annual Basic 5-Day Seminar
Wagner College, Staten Island, NY
May 30 – June 3, 2008

The Story of Jin Shin Jyutsu

Jin Shin Jyutsu Physio-Philosophy is an ancient art of harmonizing the life energy in the body. Born of innate wisdom and passed down from generation to generation by word of mouth, the Art had fallen into relative obscurity when it was dramatically revived in the early 1900s by Master Jiro Murai in Japan.

The resulting knowledge of Jin Shin Jyutsu was then given to Mary Burmeister, who brought it to the United States in the 1950s.

Jin Shin Jyutsu brings peace and harmony to the body's energy, which promotes optimal health and well-being. It is a valuable complement to conventional healing methods, inducing relaxation and reducing the effects of stress.

The study of Jin Shin Jyutsu awakens self-awareness through the process of "now know myself." We recognize the wisdom of the body, and we learn to interpret the messages provided and utilize them to restore balance. For more information: visit the website <http://www.jinshinjyutsu.com>

About the Basic 5-Day Seminar

Each seminar consists of two parts, as described below.

Part 1 (3 days), the foundation, introduces the dynamic qualities of the 26 Safety Energy Locks, the Trinity Flows, the concept of depths within the body, and the Physio-Philosophy of Jin Shin Jyutsu. Lectures are interspersed with ample periods of hands-on application.

Part 2 (2 days) introduces the organ flows, listening to pulses, the Special Body Flows, and the ways in which these contribute to harmonizing body, mind, and spirit. **Part 1 prerequisite for Part 2.**

When and where: **Part 1:** Friday – Sunday: May 30 – June 1, 2008

Part 2: Monday – Tuesday: June 2 – 3, 2008

Location: Wagner College, Staten Island, New York

For more information: Organized by Rita Heap @ 250 Randolph Rd, Freehold, NJ 07728

FUNDRAISING REQUEST

Epsilon Mu is initiating an annual scholarship for an Undergraduate Junior Nursing Student enrolled at Evelyn L. Spiro School of Nursing at Wagner College. Epsilon Mu is asking members to contribute to this worthy cause. The annual award is \$1000 payable to the nursing student candidate that most represents the qualities of Sigma Theta Tau International: academic excellence, community service and leadership qualities. Please send donations in checks made out to Epsilon Mu with “scholarship” in memo, c/o Epsilon Mu Chapter, Evelyn L. Spiro School of Nursing, Wagner College, One Campus Road, Staten Island, NY 10301. Your contributions are greatly appreciated. We haven’t named this scholarship as of yet and would like to take suggestions as well. Thank you for your generosity in this fine cause.
