Language Professor Signature

Academic Advisor Approval:

You must meet with your academic advisor to talk about your study abroad plans and obtain a signature indicating that you have discussed the impact that study abroad will have on your academic obligations.

To the academic advisor: Please sign below indicating that you had a relevant conversation with the student about their study abroad plans.

Academic Advisor Signature

Short Answer Questions (please use a separate sheet of paper):

1. Please list any previous study or travel abroad experiences.
2. Note any worries or anxieties you have about studying abroad.
3. List three personal traits/ qualities which will help you make a good transition when studying overseas.
4. Describe at least one challenge you faced when you transitioned to Wagner as a new student.
5. Please describe your motivation to study abroad at this time and the reasons for your choices.

Statement of Purpose:

Please type on a separate piece of paper. Your essay should be concise, between 500-700 words and answer the following:

- What subject(s) do you want to study while you are abroad and why?
- How will your studies while abroad coordinate with your studies at Wagner College
- How will you transition back to the campus after your study abroad experience?
- Please tell us any interests or goals that are relevant to your decision to study abroad.

Note: Attach an unofficial transcript to this application.

Student Signature

When you turn in your completed application to the Center for Intercultural Advancement, Union 204, you must set up an appointment for an interview with the Director.
