SUMMER 2011

FINANCIAL AID APPLICATION

Name

ID Number

Please complete the following questions so we can determine your financial aid eligibility during the summer session. To receive federal financial aid you must register for at least 2 units or 5 credits and be a matriculated student. All summer sessions can be combined to meet this requirement. Failure to submit required documentation, late registration and/or leaving information below incomplete will result in a delay in your package. All registered students are packaged in the order in which their *completed* paperwork is received.

1. Please indicate the **number** of credits/units you will be registered for during the summer sessions:

Session A	TBA	_____	credits/units
Session B	TBA	_____	credits/units
Session C	TBA (Education only)	_____	credits/units
Session D	TBA	_____	credits/units

2. Are you a Graduate student? Yes No
If yes, you must also complete a 2011-2012 Graduate Enrollment Form which can be found at www.wagner.edu/financial_aid/forms.

3. *For the Summer 2011 semester, which type(s) of aid are you applying for?*

<input type="checkbox"/> Federal Direct Stafford	<input type="checkbox"/> Federal Direct Parent PLUS
<input type="checkbox"/> Alternative Loan	<input type="checkbox"/> Federal Direct Graduate PLUS

Note: Federal aid should always be exhausted prior to borrowing alternative loans.

****Any federal loans or grants you receive during the summer will affect the amount of aid you can receive during the 2011-2012 (Fall and/or Spring) academic year. In addition, loans will be disbursed during all semesters you are enrolled.****

4. You must complete the FAFSA prior to being considered for federal aid. If you are applying for a Stafford Loan, have you completed the FAFSA?

Yes No Not applicable

I understand that I must be registered for 2 units (Undergraduates) or 5 credits (Graduate) in order to receive federal aid. In addition, if applying for an alternative loan, I understand that the lender that I have chosen to borrow from may require a minimum enrollment of 2 units or 5 credits and that it is my responsibility to inquire about the enrollment requirement directly with the lender. I understand that failure to confirm information with my lender may delay receipt of my funds and payment of my student account.
