

Students' login Procedure to Moodle

- Go to Wagner's home page, click on the **Resources** pull down menu and then click on the **Moodle** link as shown below:

- Or type: <http://moodle.wagner.edu> in any Internet browser and press the **Enter** key.
- When the following login window comes up, type your username and password and then click the **Login** button.
- The student's Moodle username is her/his **WAGNER'S** email username. For example, if your email is susan.howard@wagner.edu, your user name would be **susan.howard**
- The Moodle password is the student's ID number.

- Click the **Yes, help me log in** button if you forget your password or you want to change it.
- It is recommended that you change your password before even to login.

- Follow the yellow tags to change or reset your password.

Change Your Password

Username:

Password:

New Password:

Retype:

Type your username and the old password here.

Type the new password and confirm it here.

Click here to save the change to you password.

Forgot your password?

Username: @wagner.edu

Click here to reset your password.

If you want to reset your password, type your email username here. **Don't type the whole email address.**

- When you reset your password the system will send to your Wagner email a message with a new password. The password is randomly generated by the system.
- We recommend that you change the new generated password as explained above.
